

## WELCOME FROM THE 2021-2022 TEXAS FFA STATE OFFICER TEAM

Welcome to Cowtown and the 94th Annual Texas FFA State Convention, presented by Justin Boots and Farm Credit. The Texas FFA State Officer Team cannot wait to amplify our time with one another as we engage in sessions, competitions, banquets and more. Your dedication to our association is admirable, and we are excited to spend the week with you!

As we fill the streets of Fort Worth with over 12,000 blue corduroy jackets, remember to enjoy this time with your chapter and friends from across the state. This week will be packed with the celebration of state awards, recognition of over \$2.2 million in scholarships, introduction of the 2022-2023 Texas FFA State Officer Team, and inspirational keynote messages including special guest Mike Rowe and Houston Kraft.

Texas FFA remains the largest state association in the nation with 156,363 members. Each and every one of these members exhibits a passion for agriculture that our world desperately needs today. Thank you for your continued hard work and dedication to Texas FFA.

Texas FFA, we are stoked to see you during the first general session as we kick-off the week with energy and an eagerness to "AMPLIFY" the 2022 Texas FFA State Convention. We encourage you to be open-minded and willing to learn during each of the five sessions throughout the week.

We are so appreciative of the opportunity to serve you this year, and we have loved getting to meet each of you.

## **GENERAL INFORMATION**

---

### **CONVENTION PHOTOGRAPHER**

Next Level Images serves as the official convention photographer. All event images can be viewed at [www.nextlevelimages.com](http://www.nextlevelimages.com).

### **REGISTRATION**

Delegate, member and advisor registration will occur in the Fort Worth Convention Center in Hall F on Monday and Tuesday. All members and delegates must register and obtain a convention wristband. The \$75 registration fee helps offset expenses of the convention. Your souvenir wristband will allow admission to any of the non-ticketed convention sessions, concert, rodeo, and the exhibition hall. The Friday morning session with Mike Rowe is a ticketed event and will require a separate purchase of \$15 per person. The hours for registration will be Monday, July 10 from 4:00 pm-6:00 pm and Tuesday, July 11 from 8:00 am-5:00 pm.

After Tuesday, member registration will be conducted at Guest Registration. All guests (parents, sponsors, exhibitors, administrators and others) will register and/or check-in at the guest registration booth in the Fort Worth Convention Center Houston Street Concourse (signage will be posted) throughout the week. Guest Lone Star Session only passes are \$10 per person, day passes are \$20 per person, and week passes are \$75 per person. Members of the Courtesy Corps and security staff will check for convention wristbands to allow entrance into the arena and exhibit areas.

**\*\*All attendees must be registered and checked-in before being allowed into the arena and exhibit areas.**

### **COURTESY CORPS HEADQUARTERS**

The convention Courtesy Corps serves as an essential group throughout the week. Courtesy Corps members are easily spotted wearing yellow courtesy corps armbands. They serve as guides, ushers, and assistants during the convention. The Courtesy Corps Headquarters is located in Room 104.

### **LOST AND FOUND**

All found articles should be taken to the Cashier booth located next to Guest Registration. Lost articles should be reported there as well. Items will be held there until claimed.

## DRESS AND CONDUCT

Standards for official dress are important for the Texas FFA Convention. Proper dress will be stressed for members and adults in the arena and exhibit area. Appropriate attire for adults is a suit or sport coat and tie for men; dresses, suit ensembles or suits for women. Appropriate dress for FFA members is outlined in the OFFICIAL FFA MANUAL. All members going across the stage, attending banquets, or on the delegate floor MUST be in official dress with the exception of Fun Night activities. The arena floor will only be open to delegates in official dress wearing their convention wristband and delegate credential. Fun night dress code:

- Males must wear shirts with sleeves.
- Attire may not contain indecent or improper messages (alcohol, tobacco, sexual references, etc.)
- No low cut shirts or tops, bare midriffs, strapless or thin-strapped shirts are allowed.
- Shirts must cover the entire stomach, shoulders, chest and back.
- Sleeves must be at least two inches in width (about three fingers).
- Shorts, dresses, and skirts must be no higher than fingertip length when arms are at the side and no saggy pants allowed.

## THE FEEDLOT

All your convention hunger needs can be taken care of at this year's Feedlot. Cafe Venture catering and Fuddruckers will be providing lunch in the Fort Worth Convention Center Ballrooms C, D, and E Tuesday, Wednesday, and Thursday, starting at 11:30 am. Tickets will be available for purchase at the Chapter Registration Help Desk in Hall F on Monday and Tuesday.

## KEYNOTE SPEAKER

### MIKE ROWE

Sixth General Session  
Friday, July 6 | 9:00 a.m.

From the Baltimore Opera to QVC shopping channel, executive producer, host, best-selling author, and chart-topping recording artist Mike Rowe has had hundreds of jobs and relished his role as a chronic freelancer. He's best known as the "dirtiest man on TV," a title he earned on the iconic TV series *Dirty Jobs*. Today, you can join Mike for a romp through history on the discovery+

series *Six Degrees* as he uncovers the surprising connections between two disparate things and shows how everything in our crazy world is connected. You can also listen to him on *The Way I Heard It*, where he tells short stories you don't know about people you do know and shares intimate conversations with fascinating folks from his own life and career; read his New York Times best-selling book *The Way I Heard It*, a mix of biography and auto-biography based on his popular podcast; or watch him on the show *Somebody's Gotta Do It* on TBN or Pure Flix. In what can only be described as an envelope mix-up, Mike won an Emmy for his work on Facebook's groundbreaking series *Returning the Favor*. As the country's leading advocate for skilled labor and the CEO of the *mikeroweWORKS Foundation*, a 501(c)(3) public charity that debunks myths and misperceptions about the trades and helps close the skills gap, his foundation has granted millions of dollars in work ethic scholarships. In his spare time, Mike keeps a lively conversation with more than 8 million friends on social media, where he talks about everything from the musings of his persnickety terrier named Freddy to the merits and pitfalls of blind patriotism.

answer on  
page 78

**MATT RUSH**  
**COACH & PUBLIC SPEAKER**  
**"Planting the Seeds of Greatness"**

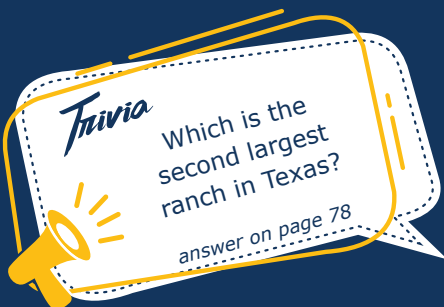

Since the beginning of time, agriculture has understood the necessity of planting seeds in the hope of a harvest. It is who we are, it is what we do. However, times have changed and people in agriculture are no longer viewed as providers. Therefore, if we are going to change that and create a new future, we must begin planting something different. After all, it is easy to look back on the past, it is comfortable to enjoy the present, but we must plan for the future by planting new seeds to carry us forward.

# TEXAS FFA...

# *Thank you!*

The 2021-2022 Texas FFA State Officer Team would like to thank you for attending this year's convention as we set out to "AMPLIFY" members' passion and success within the Texas FFA. The newly elected 2022-2023 state officer team invites you to join them in Dallas next year for the 95th Annual Texas FFA State Convention, July 2023.

As leaders, we are called to be a positive light for the people around us; one that embodies leadership, growth and a bright future. Let this convention serve as a reminder to always shine a light that illuminates the path for others to follow. We encourage you this next year to pursue opportunities, take action, and make a difference in your homes and communities. Use your light to lead others and shape the future of our growing organization. Texas FFA, "AMPLIFY!"
