Howdy!

My name is Cody Gonzales from the Deer Park FFA chapter. I am so excited to be the incoming Area III Texas FFA State officer candidate. I am passionate about serving the members of this incredible organization and being able to represent the voice of our area on the state level. Throughout my FFA journey I have been able to see firsthand the impact FFA can have on students, including myself. I am committed to advocate for agriculture, agricultural education, and the FFA organization as a whole. I am ready to uplift every member, and be a dependable, encouraging Texas FFA State Officer. As a State Officer, I will bring energy, dedication, and a deep understanding of the importance to expand agricultural education to all. Being able to become a leader within our State Association, I will ensure that every member feels valued, supported, and inspired. I believe in the future of agriculture to which as the next State Officer, I can assure everyone finds their fit within the FFA!

Thank you,

Cody Gonzales
