

The Area VI Association
and The Mount Pleasant FFA Chapter
Proudly Present
Gunner Rodgers
Candidate for
Texas FFA President

Howdy y'all!

My name is Gunner Rodgers, and I proudly represent the Mount Pleasant FFA Chapter. It is my greatest desire to serve and to welcome all walks of life into this incredible organization, one that has shaped me into the person I am today.

I have often heard it said that it takes one person to change a life. I am here to say that it takes one organization to change a generation. I am grateful to stand here in this moment, proud to be part of something so impactful and so much bigger than myself.

When I began my FFA journey in the third grade through Junior FFA, I was excited about the opportunity to raise a pig. What I could not have understood at that time was that this organization would connect me with people who began as strangers and are now family.

I have personally witnessed students who once felt like they did not belong, find their way into an agriculture classroom and immediately become part of a community that accepts them for exactly who they are. That is one of the most powerful things about the FFA: it meets you where you are and helps you discover your voice, purpose, and confidence.

My goal is to seek out those who are still searching for where they fit and welcome them with open arms into an organization filled with limitless opportunities; one that educates, inspires, and prepares the next generation of agricultural leaders. When we open the door for one student, we strengthen an organization, and when we strengthen this organization, we shape the future of agriculture for generations to come.

Gunner Rodgers
Area VI State Officer Candidate

Proverbs 27:17 "As iron sharpens iron, so one man sharpens another."
