Texas FFA Members,

I am so excited to have the opportunity to represent Area XII as a candidate for Texas FFA President . My name is Joshua Burdick from the Vista Ridge FFA Chapter, and over the past four years FFA has truly changed my life. Through leadership, competition, and service, this organization has helped shape me into the person I am today.

Throughout my FFA journey, I have experienced both victories and setbacks, but each challenge taught me something greater than success ever could. I learned that losing does not define a person — giving up does. Some of my greatest growth has come from the moments where I had to stand back up, work harder, and continue moving forward.

I hope to encourage every member to understand that setbacks do not stop success. I want members to know that failure is not the end of the story, but often the beginning of growth, determination, and purpose. FFA gives each of us opportunities to learn, lead, and become better versions of ourselves, and I hope to inspire members to continue chasing their goals no matter how difficult the journey may seem.

Texas FFA members, never let one loss determine your future. Keep getting back up, keep working hard, and keep believing in yourself because success belongs to those who refuse to quit.

Joshua Burdick

Area XII Candidate for State president

“Success is not determined by how many times you fall, but by how many times you rise again.” — Nelson Mandela
