

Kate Nash

Incoming State Officer | Area VII Association

OBJECTIVE

As an incoming state officer, I strive to use my position to amplify members' voices, advocate for the agriculture industry, and continue driving the growth of Texas FFA. My goal is to ensure that every member knows the power and value of their own voice in contributing to every aspect of this mission. My passion lies in the FFA and the agriculture industry, and this position enables me to fulfill my desire to give back to it through leadership and service.

LEADERSHIP EXPERIENCE

Area VII FFA Vice President

- I served as a Vice President of Area VII FFA, where I took on the responsibility of facilitating workshops, organizing and operating the Area VII events, and representing 11,000 Texas FFA Members throughout the year.

River District President

- I served as the President of the River District FFA, taking on the responsibility to collaborate with my teammates to plan and facilitate district events and competitions while representing the district and building relationships with the members.

Davenport FFA Officer

- I served first as the Secretary of Davenport FFA, then later as the President. I organized chapter events, meetings, and service projects while fostering growth and connections among the members.
