

# Katelyn Krennek

Incoming Texas FFA State Officer  
Area XI FFA Association  
Bellville FFA

## ABOUT ME

Howdy Texas FFA! My name is Katelyn Krennek, I grew up in a rural community outside of Bellville, Texas where my passion for agriculture was ignited. While my FFA experience has been diverse, my core values of faith, kindness, and authenticity have remained constant. I plan to lead this year with these values governing every action. My ultimate goal this year is to make a positive difference in the lives of others. We often hear the phrase, "leave the room better than you found it", but I have chosen to expand this principle in my personal life to leave others with a bigger smile and more positive outlook than when I met them. I don't look at this goal as a form of status or pride, but instead to simply be a light and a friend to all whom I have the opportunity to meet. I'm looking forward to serving you and making a positive difference in this organization!
