**Howdy Texas FFA,**

I am beyond thrilled to be a Texas FFA State Officer Candidate! My name is Lyliana Quintanilla, and I am from the Hendrickson FFA Chapter. I plan on attending Texas A&M University to study Animal Science and Agricultural Leadership Development. “We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty.” – Maya Angelou. Serving as a leader in this organization has been an incredible honor. I’ve had the privilege of witnessing the beauty of our collective success, but moreover, I’ve seen tremendous growth in our members, chapters, and districts. Like the butterfly, we’ve all faced challenges, but those struggles have shaped who we are today. Let’s keep that momentum going. One small step at a time, let’s spark a Butterfly Effect that will leave a lasting legacy on FFA across the nation!
