#### **Hello Texas FFA,**

Welcome to the 92nd Annual Texas FFA State Convention and the 1st ever Virtual State Convention! My name is Rachel and I am a graduate of Troy High School. Each year as an FFA member, I look forward to attending the awe-inspiring Texas FFA State Convention. Not only do we get to celebrate each other's success from a hard working and dedicated year, but we get to make new, everlasting friendships across the state. The atmosphere inspires members to grow as leaders, serve others, and explore new found journeys. With the current state of our world, I choose to make the positive shine brighter. I am over the moon excited to see the outcome of the watch parties hosted by chapters for this year's 1st Virtual State Convention. I truly believe life is all about taking the positive out of situations and I will **“STRIVE”** to pursue those words this year as your next Texas FFA State Officer. An inspiring leader once said “Stay positive, work hard, and make it happen.” Over the course of the last several months, I have remained positive, continuously worked hard to achieve my dreams and I stand before you today making it happen. Texas FFA, I want you to continue to stay positive, work passionately towards your goals, and **“STRIVE”** to make them happen.

*Rachel Bradford*

Rachel Bradford  
Area XII State President Candidate

“Work hard and become a Leader.” Proverbs 12:24
