**Texas FFA,**

Howdy Texas FFA! It is my pleasure to welcome you to the 92nd Texas FFA convention! My name is Caitlyn Muckensturm, and I am a recent graduate from Krum High School. Having been a member of the Krum FFA for six years now, my fondest memories come from my time spent in our organization. I remember my first State Convention like it was yesterday! From the moment when I stepped onto the convention floor and the laser light show started, I was captivated! My love for Texas FFA was kickstarted from that moment on, and I strive to share my love of all things FFA with members of our organization! In recent years, I've found that my love for FFA is more than laser light shows, it's the little moments in between State Convention. My passion lies in serving others in all that I do. I strive to serve you this year to the best of my abilities, as your next Texas FFA State President. While this year's convention may look different than years past, I still encourage you to make new friends, try new things, and live your life in the moment. Try the SAE project you've been dreaming of, dare to try a new CDE contest, or run for that officer position. The FFA provides us with multiple opportunities to strive for what we dream of. The future is in your hands, so strive for excellence in all that you do!

Caitlyn Muckensturm

Area V State President Candidate

“Do not let others look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity” -  
1 Timothy 4:12
