Texas FFA,

Hello Texas FFA Friends. Welcome to the 92nd Annual Texas FFA convention! I love that this year with the virtual convention we have the opportunity to bring Texas FFA home to each of us. Fred Rogers once said “As human beings, our job in life is to help people realize how rare and valuable each one of us really is, that each of us has something that no one else has- or ever will have- something inside that is unique to all time. It’s our job to encourage each other to discover that uniqueness and to provide ways of developing it’s expression.” I can’t wait to spend this year helping each of you find your uniqueness and different ways to express it!

Area VIII State President Candidate

You make every day special, by just being you. There’s no person in the whole world like you, and I like you just the way you are.
